

Get a Grip, Let Loose and Hang On

Cave Creek Cutting Horse Association is a non profit organization, founded by Arizona cutting horse enthusiasts whose goal and objective is to develop and increase interest in the sport of cutting as well as promote the enjoyment and thrill of riding our wonderful equine athletes. CCCHA is a grassroots organization, catering to the needs of beginner to professional cutters alike and offering a full range of classes from the Open to the Ranch Class. CCCHA will hold 6 weekend shows for the 2018/2019 season.

What is Cutting?

Basically, it's cutting horse meets cow, one on one, matching wits with the cow and mirroring the cow's maneuvers to get back to herd (which the cow being a herd animal does so instinctively). The cutting horse demonstrates a dance of mastery over the cow. It's beautiful to watch and even more thrilling to ride. The rider selects and separates one cow from the herd at a time and the horse instinctively prevents the cow from returning to the herd with lightning fast starts and stops and quick agile moves side to side, doing this without visible cues from the rider. Once separated, the rider with completely loose reins, drops his/her hand and lets the horse take control. The rider has 2 ½ minutes, cutting 2-3 head from the herd during this time. Cutting is judged based on difficulty and how well the horse anticipates and reacts. This is one equestrian sport that requires the horse to think. Cutting horses are cow bred and truly enjoy their job, sometimes playing mind games with the cows they meet and totally dominating them. Cutting is the most exciting and fun Equine sport you will ever experience.

Cave Creek Cutting Horse Association

CCCHA is an affiliate club of National Cutting Horse Association (NCHA). NCHA is the governing board of most cutting competitions and reports a membership of over 15,000, holding over 1300 events annually with over 130,000 entrants and prize money in excess of \$36M. CCCHA, as a grassroots affiliate of NCHA and approximately 200 member strong, offers a great platform and supportive environment for beginners all the way up to cutting horse trainers, allowing all riders an equal opportunity to advance to whatever level they so desire. Additionally, a priority of CCCHA is to keep cutting affordable with consideration to the economic level at which our members can participate in this challenging and exhilarating sport.
